With Appreciation

We wish to express our deepest gratitude to Goodspeed Musicals for sharing their lawn every Monday evening with the MOTR concert series. And to the Gelston House for hosting our bands. Many thanks for your participation in the MOTR experience.

WELCOME BACK TO MOTR

Each season we strive to present a stellar lineup of concerts. This year is no exception. We are thrilled to announce this season's cavalcade of stars; all award winning recording artists on tour to support their latest albums.

Please join us rain or shine. Don't let inclement weather stop you from enjoying these big ticket artists. Join us at the Hale Ray High School auditorium where you can experience an extraordinary performance in a concert hall setting.

The only exception being Twisted Pine who will perform the following Tuesday on the Goodspeed lawn July 26

JULY 11 CHRISTINE OHLMAN W/

REBEL MONTEZ

The queen of blue-eyed rock n' soul, grew up on the sweetness of Memphis horn lines and raunch of electric guitar riffs. Ready for her life on stage, Christine teased her blonde hair into a beehive, and never looked back. She's the current long-time vocalist of the Saturday Night Live Band and her latest album, *The Deep End*,

was honored on five national Top Ten lists. Christine's long list of achievements includes her induction into the National Blues Hall of Fame, singing on Quentin Tarantino's "Once Upon A Time in Hollywood", and partnering with Elvis Costello for a duet on HBO's *Vinyl*. Christine tours relentlessly with her band Rebel Montez.

JULY18 THE REVISIONISTS

The Revisionists is a multi award winning swing band based in NYC, led by Danny Jonokuchi. With the spirit of the Savoy Ballroom, their vibrant performances have quickly made them a premier dance band in the City and around the world; performing at international Lindy hop events. Fueled by a love of jazz, this band produces an eclectic repertoire of arrangements reminiscent of the great ballrooms of the 40's. Their latest album "Let Me Off Uptown" highlights these masterful arrangements and features vocalist Alexa Barchini.

JULY 25 TWISTED PINE

Twisted Pine is in a league and world of their own design. Unique is the word that comes to mind most immediately, and in all the best ways. With a stripped down and lively Blue Grass instrumentation, Kathleen Parks on fiddle and lead vocals, Dan Bui on mandolin, Chris Sartori on bass, and Anh Phung on flute, Twisted Pine flows freely along interlaced lines of Pop hooks and rhythms, soulful Orchestral and Jazz harmonies.

AUGUST 1 HOUSTON BERNARD

Houston Bernard's country roots run deep with a family tree that includes songwriters, touring musicians and an outlaw gunfighter nicknamed "Bitter Creek". Born in Oklahoma and raised in Alaska, Houston is an Army veteran who has comfortably

settled into life as a professional and popular country music recording artist, touring throughout the USA. Inspired by Springsteen and Parton, he also draws from his family's rich country and rockabilly roots bringing an upbeat style and powerful vocals. His new single, "Hangover" produced in Nashville, is becoming a fast rising hit. Backed by his gunslinging band, this cowboy will leave a lasting impression.

AUGUST 8 AMY HELM

Singer, songwriter, and multi Grammy Award winner, Amy Helm tours in support of her newest album, "What the Flood Leaves Behind". Amy has been immersed in every aspect of the music industry most of her life. Her resume is an impressive collage of collaborations with A-List Folk /Country Artists too numerous too mention, including her late father, Levon Helm (The Band), and her band "Ollabelle". She previously recorded two solo albums, "Didn't it Rain," and "This Too Shall Pass". Amy returned to her Woodstock roots where she recorded her most biographical and critically acclaimed work yet. The collection of these experiences have been polished into gems as evidenced in the music of "What the Flood Leaves Behind".

AUGUST 15 BEG STEAL OR BORROW

Since their 2013 debut the Vermont based Beg Steal or Borrow, has gone on to become an award-winning bluegrass band creating an impressive repertoire of original songs that boast both contemporary and archival appeal. They have absorbed the essential influences; Appalachian, Folk, and Country and have refashioned them in a way that is infectious and irresistible. Their

latest album, "Old Mountain Time" has garnered the attention and respect from old school bluegrass vets as well as school trained virtuosos.
