LORD WELLINGTON RESERVE

The 28.49-acre Lord Wellington property was acquired by the Town of East Haddam in 2002 with the assistance of a grant from the Connecticut Department of Energy and Environmental Protection.

The property's name derives from Lord Wellington Cone, who was a local property owner in the 1850s.

There is a single loop trail on the property, accessible from the parking area on Newberry Road.

LORD WELLINGTON RESERVE
