Vision: East Haddam is a district of distinction where educators value student success, family outreach, and the power of accountable collective efficacy. We develop student passions, knowledge, and civic mindedness. We ensure a nurturing, dynamic learning community where communication thrives, students excel, rigorous instruction is the norm, and the children's developmental needs are heeded. We believe in the power of not yet and reject ceilings so that students can soar. We love equitably and cultivate an environment where every student feels valued, supported, and empowered to persist through adversity.
